TRANSFORMING HEARTS & SAVING LIVES SINCE 1984

FROM OUR DIRECTOR

Dear Friends,

Words hardly capture the gratitude I feel as we step into a new year. Your faithfulness to saving lives, restoring families, and proclaiming the truth — that every person is loved by God — continues to make an eternal difference. Your generosity does **more than rescue lives from abortion, it is changing our culture.** Each day, women and men walk through our doors overwhelmed by fear, shame, and isolation. *Because of friends like you, what they encounter instead is grace, truth, and hope.*

I want you to see firsthand the powerful impact of your prayers and financial investment. Every number and every image in this report represents a life touched by your faithfulness. Every baby saved, every family strengthened, every courageous conversation, and every victory belong to you.

The challenges remain before us in 2026 — but so does our hope. Together, we are pushing back darkness and transforming our culture for good — one life, one story, and one brave choice at a time.

“The Parenting class at CHOICES was comforting. I had no idea how to be a dad. It was great to be around other guys that were about to be first time fathers too. Getting to learn things like putting on a diaper and making a swaddle was a huge blessing.”

“CHOICES made me see things clearer. CHOICES actually made me feel like everything was going to be okay. When they asked to host a baby shower for me, I was like, ‘they are serious, they really do love me.’”
